- 1) to elect the members of the Electoral College among academic teachers employed in other positions than full professor, MUG's professor who have not obtained a postdoctoral degree, employed at the University full time who have the passive voting right pursuant to par. 10 sect. 4 points 1-6 of MUG's statute, in the following electoral districts:

I Electoral District

Department of Gastroenterology & Hepatology; Department of Nephrology, Transplantology and Internal Diseases;

Department of Hypertension & Diabetology: Division of Hypertension & Diabetology; Division of Preventive Medicine & Education;

Centre of Medical Simulations; Department of Endocrinology and Internal Diseases; Department of Rheumatology, Clinical Immunology, Geriatrics and Internal Medicine Department of Internal Diseases; Department of Infectious Diseases; Department of Haematology & Transplantology; 1st Department of Cardiology;

2nd Department of Cardiology: Division of Cardiology & Electrotherapy; Department of Cardiac Diagnostics;

Department of Dermatology, Venereology and Allergology

Department of Family Medicine: Division of Family Medicine; Division of Palliative Medicine;

- elects 15 members of the Electoral College

II Electoral District

Department of Paediatrics, Haematology and Oncology; Department of Paediatrics, Diabetology and Endocrinology; Department of Paediatrics Cardiology and Congenital Heart Defects, Department of Paediatrics, Nephrology and Hypertension; Department of Oncology and Radiotherapy;

Department of Neurology: Division of Adult Neurology; Division of Developmental Neurology;

Department of Psychiatry: Division of Adult Psychiatry; Psychotic and Geriatric Disorders;

Department of Ophthalmology;

Department of Pulmonology and Allergology: Division of Allergology; Division of Pulmonology;

Department of Otolaryngology;

Department of Clinical Biochemistry: Division of Laboratory Medicine; Division of Molecular Medicine;

Department of Physiopathology, Department of Forensic Medicine; Department of Pathomorphology, Department of Radiology; Department of Paediatrics, Gastroenterology, Allergology and Paediatric Nutrition;

- elects 18 members of the Electoral College

III Electoral District

Department of General Surgery: Division of General, Endocrine and Transplant Surgery;

Department of Thoracic Surgery; Department of Oncological Surgery; Department of Plastic Surgery;

Department of Cardiac and Vascular Surgery;

Department of Anaesthesiology and Intensive Care: Division of Anaesthesiology and Intensive Care; Division of Cardiac Anaesthesiology;

Department of Neurosurgery; II Department of Orthopaedics and Kinetic Organ Traumatology;

Department of Orthopaedics and Kinetic Organ Traumatology; Department of Surgery and Urology for Children and Adolescents;

Department of Gynecology, Obstetrics and Neonatology: Division of Gynecology and Obstetrics; Division of Neonatology;

Department of Urology

- elects 11 members of the Electoral College

IV Electoral District

Department of Anatomy: Division of Anatomy and Neurobiology; Division of Clinical Anatomy, Division of Embryology; Division of Biostatistics and Neural Networks;

Department of Biochemistry; Department of Biology and Medical Genetics; Department of Medical Chemistry; Department of Pharmacology; Department of Physiology; Department of Physics and Biophysics; Department of Histology; Department of Medical Immunology;

Department of Microbiology: Division of Oral Microbiology; Division of Medical Microbiology;

Division of Medical Ethics; Division of Hygiene and Epidemiology;

Division of Orofacial Surgery; Division of Oral Surgery; Department of Dental Prosthetics; Department of Endodontic Surgery, Department of Periodontology and Oral Mucosa Diseases; Department of Paediatric Dentistry; Department of Orthodontics; Department of Dental Technology and Masticatory Apparatus Dysfunction;

- elects 19 members of the Electoral College

V Electoral District

Interdepartmental units;

Interfaculty units: Department of Foreign Languages; Department of Physical Education and Sports;

Inter-university and joint units: Intercollegiate Faculty of Biotechnology UG&MUG; International Research Agenda;

Non-Departmental Units: Center for Rare Diseases; Center for Competency Development; Integrated Care and e-Health; College of Management and Human Resources Development; Independent Simulation Laboratory for Endoscopy and Minimally Invasive Techniques; Interdisciplinary Pomeranian Center for Digital Medicine

- elects 6 members of the Electoral College

VI Electoral District

Institute of Nursing and Midwifery: Division of Anaesthesiology Nursing & Intensive Care; Division of Surgical Nursing; Division of Internal and Paediatric Nursing; Division of Neurological and Psychiatric Nursing; Division of Obstetric and Gynaecological Nursing, Division of Community Nursing & Health Promotion; Division of Nursing Management;

Department of Social Medicine: Division of History & Philosophy of Medical Sciences; Division of Medical and Pharmacy Law; Division of Medical Sociology & Social Pathology; Division of Public Health & Social Medicine;

Department of Psychology: Division of Quality of Life Research; Division of Clinical Psychology;

Department of Biochemistry and Clinical Physiology; Division of Bioenergetics and Physiology of Exercise; Department of Neurophysiology, Neuropsychology and Neuroinformatics; Division of Social and Clinical Gerontology; Division of Pathology and Neuropathology; Division of Environmental Toxicology.

- elects 13 members of the Electoral College

VII Electoral District

Institute of Maritime and Tropical Medicine:

Department of Tropical Medicine and Parasitology: National Centre for Tropical Medicine; Division of Tropical & Parasitic Diseases; Division of Tropical Medicine & Epidemiology; Division of Tropical Parasitology;

Division of Occupational, Metabolic and Internal Diseases; Division of Hyperbaric Medicine and Maritime Rescue; Division of Clinical and Experimental Endocrinology; Division of Immunobiology and Environmental Microbiology; Division of Cardiology and Internal Diseases;

Department of Emergency Medicine; Division of Medical Rescue; Department of Physiotherapy; II Division of Radiology; Division of Oncological Propedeutics; Division of Clinical Toxicology;

Department of Nuclear Medicine and Radiology Informatics: Division of Radiology Informatics and Statistics; Division of Nuclear Medicine;

Department of Rehabilitation Medicine: Division of Rehabilitation Medicine;

Department of Clinical Nutrition: Laboratory of Nutritional Biochemistry; Division of Food Commodity Science; Division of Clinical Nutrition and Dietetics;

- elects 13 members of the Electoral College

VIII Electoral District

Department of Biopharmacy and Pharmacodynamics: Division of Biopharmacy and Pharmacokinetics; Division of Pharmacodynamics;

Department of Pharmaceutical Biochemistry; Department of Biology and Pharmaceutical Botany; Department of Bromatology; Department of Analytical Chemistry; Department of Pharmaceutical Chemistry; Department of Physical Chemistry; Department of Inorganic Chemistry; Department of Organic Chemistry; Department of Pharmaceutical Technology; Department of Pharmacognosy; Department of Pharmaceutical Microbiology; Department of Pharmaceutical Pathophysiology; Department of Chemical Technology of Drugs; Department of Toxicology; Postgraduate Training Center of Faculty of Pharmacy; Center for Continuing Education, Faculty of Pharmacy; Department of Mathematics, Statistics & Informatics, Faculty of Pharmacy;

Department of Clinical Analytics: Department of Clinical Chemistry; Department of Clinical Laboratory Diagnostics.

- elects 9 members of the Electoral College

2) in order to elect members of the Electoral College among non academic staff, employed in the University full time who have the passive voting right pursuant to par. 10 sect. 4 p. 1-6 of the MUG's statute in the following electoral districts:

IX Electoral District

non academic staff

- elects 14 members of the Electoral College

X Electoral District

non academic staff

- elects 14 members of the Electoral College

II. SENATORS

3) in order to elect Senate members among the University community - full time employees employed in positions other than full professor or MUG's professor who have the passive voting right pursuant to par. 10 sect. 4 p. 1-6 of the MUG's statute in the following electoral districts:

XI Electoral District

Faculty of Medicine

- elects 9 members of the Senate

XII Electoral District

Faculty of Pharmacy

- elects 2 members of the Senate

XIII Electoral District

Faculty of Health Sciences with the Institute of Maritime and Tropical Medicine

- elects 3 members of the Senate

4) in order to elect Senate members among the University community - full time employees employed in positions other than full professor or MUG's professor who have the passive voting right pursuant to par. 10 sect. 4 p. 1-6 of the MUG's statute in the following electoral districts:

XIV Electoral District

Department of Gastroenterology & Hepatology; Department of Nephrology, Transplantology and Internal Diseases;

Department of Hypertension & Diabetology: Division of Hypertension & Diabetology; Division of Preventive Medicine & Education;

Centre of Medical Simulations; Department of Endocrinology and Internal Diseases; Department of Rheumatology, Clinical Immunology, Geriatrics and Internal Medicine Department of Internal Diseases; Department of Infectious Diseases; Department of Haematology & Transplantology; 1st Department of Cardiology;

2nd Department of Cardiology: Division of Cardiology & Electrotherapy; Department of Cardiac Diagnostics;

Department of Dermatology, Venereology and Allergology

Department of Family Medicine: Division of Family Medicine; Division of Palliative Medicine; Department of Quality in Health Care;

Department of Paediatrics, Haematology and Oncology; Department of Paediatrics, Diabetology and Endocrinology; Department of Paediatrics Cardiology and Congenital Heart Defects; Department of Paediatrics, Nephrology and Hypertension; Department of Oncology and Radiotherapy;

Department of Neurology: Division of Adult Neurology; Division of Developmental Neurology;

Department of Psychiatry: Division of Adult Psychiatry; Division of Developmental Psychiatry, Psychotic and Geriatric Disorders;

Department of Ophthalmology;

Department of Pulmonology and Allergology: Division of Allergology; Division of Pulmonology;

Department of Otolaryngology;

Department of Clinical Biochemistry: Division of Laboratory Medicine; Division of Molecular Medicine;

Department of Physiopathology; Department of Physiopathology; Department of Forensic Medicine; Department of Pathomorphology; Department of Radiology; Department of Pathology and Experimental Rheumatology;

Department of Pediatrics, Gastroenterology, Allergology and Pediatric Nutrition;

- elects 1 member of the Senate

XV Electoral District

Department of General Surgery: Division of General, Endocrine and Transplant Surgery;

Department of Thoracic Surgery; Department of Oncological Surgery; Department of Plastic Surgery;

Department of Cardiac and Vascular Surgery;

Department of Anaesthesiology and Intensive Care: Division of Anaesthesiology and Intensive Care; Division of Cardiac Anaesthesiology;

Department of Neurosurgery; II Department of Orthopaedics and Kinetic Organ Traumatology;

Department of Orthopaedics and Kinetic Organ Traumatology; Department of Surgery and Urology for Children and Adolescents;

Department of Gynecology, Obstetrics and Neonatology: Division of Gynecology and Obstetrics; Division of Neonatology;

Department of Urology;

Department of Anatomy: Division of Anatomy and Neurobiology; Division of Clinical Anatomy; Division of Embryology; Division of Biostatistics and Neural Networks;

Department of Biochemistry; Department of Biology and Medical Genetics; Department of Medical Chemistry; Department of Pharmacology; Department of Physiology ; Department of Physics and Biophysics; Department of Histology; Department of Medical Immunology;

Department of Microbiology: Division of Oral Microbiology; Division of Medical Microbiology;

Division of Medical Ethics; Division of Hygiene & Epidemiology;

Division of Orofacial Surgery; Division of Oral Surgery; Division of Dental Prosthetics; Department of Conservative Dentistry; Department of Periodontology and Oral Mucosa Diseases; Department of Pediatric Dentistry; Department of Orthodontics; Department of Dental Technology and Masticatory Apparatus Dysfunction

- elects 1 member of the Senate

XVI Electoral District

Department of Biopharmacy and Pharmacodynamics: Division of Biopharmacy and Pharmacokinetics; Division of Pharmacodynamics;

Department of Pharmaceutical Biochemistry; Department of Biology and Pharmaceutical Botany; Department of Bromatology; Department of Analytical Chemistry; Department of Pharmaceutical Chemistry; Department of Physical Chemistry; Department of Inorganic Chemistry; Department of Organic Chemistry; Department of Pharmaceutical Technology; Department of Pharmacognosy; Department of Pharmaceutical Microbiology; Department of Pharmaceutical Pathophysiology; Department of Chemical Technology of Drugs; Department of Toxicology; Center for Continuing Education, Faculty of Pharmacy; Department of Mathematics, Statistics & Informatics of the Faculty of Pharmacy;

Department of Clinical Analytics: Department of Clinical Chemistry; Department of Clinical Laboratory Diagnostics;

- elects 1 member of the Senate

XVII Electoral District

Institute of Nursing and Midwifery: Division of Anaesthesiology Nursing & Intensive Care; Division of Surgical Nursing; Division of Internal and Paediatric Nursing; Division of Neurological and Psychiatric Nursing; Division of Obstetric and Gynaecological Nursing, Division of Community Nursing & Health Promotion; Division of Nursing Management;

Department of Social Medicine: Division of History & Philosophy of Medical Sciences; Division of Medical and Pharmacy Law; Division of Medical Sociology & Social Pathology; Division of Public Health & Social Medicine;

Department of Psychology: Division of Quality of Life Research; Division of Clinical Psychology;

Department of Biochemistry and Clinical Physiology; Division of Bioenergetics and Physiology of Exercise; Department of Neurophysiology, Neuropsychology and Neuroinformatics; Division of Social and Clinical Gerontology; Division of Pathology and Neuropathology; Division of Environmental Toxicology;

Institute of Maritime and Tropical Medicine:

Department of Tropical Medicine and Parasitology: National Centre for Tropical Medicine; Division of Tropical & Parasitic Diseases; Division of Tropical Medicine & Epidemiology; Division of Tropical Parasitology;

Division of Occupational, Metabolic and Internal Diseases; Division of Hyperbaric Medicine and Maritime Rescue; Division of Clinical and Experimental Endocrinology; Division of Immunobiology and Environmental Microbiology; Division of Cardiology and Internal Diseases;

Department of Emergency Medicine; Division of Medical Rescue; Department of Physiotherapy; II Division of Radiology; Division of Oncological Propedeutics; Division of Clinical Toxicology;

Department of Nuclear Medicine and Radiology Informatics: Division of Radiology Informatics and Statistics; Division of Nuclear Medicine;

Department of Rehabilitation Medicine: Division of Rehabilitation Medicine;

Department of Clinical Nutrition: Laboratory of Nutritional Biochemistry; Division of Food Commodity Science; Division of Clinical Nutrition and Dietetics;

- elects 1 member of the Senate

XVIII Electoral District

Interdepartmental units;

Interfaculty units: Department of Foreign Languages; Department of Physical Education and Sports;

Inter-university and joint units: Intercollegiate Faculty of Biotechnology UG&MUG; International Research Agenda;

Non-Departmental Units: Center for Rare Diseases; Center for Competency Development; Integrated Care and e-Health; College of Management and Human Resources Development; Independent Simulation Laboratory for Endoscopy and Minimally Invasive Techniques; Interdisciplinary Pomeranian Center for Digital Medicine

- elects 1 member of the Senate

5) in order to elect Senate members among non academic staff employed full time who have the passive voting right pursuant to par. 10 sect. 4 p. 1-6 of the MUG's statute:

XIX Electoral District

Non academic staff

- elects 3 members of the Senate

6) in order to elect Senate members among the University community namely full professors or MUG's professors employed full time who enjoy the right to stand for election pursuant to par. 10 sect. 4 p. 1-6 of the MUG's statute:

XX Electoral District

Intercollegiate Faculty of Biotechnology UG&MUG

- elects 1 member of the Senate
